## EXPERIENCE

### **The Orchard Theatre, Darford, Kent — *Technician***

15th August - 28th August 2022

- Designed the background (stage) and props that were utilised for the production
- Collaborated with a team of volunteers alongside the technicians for the production

### **NHS, South East London — *Concept Artist/Animator***

24th October 2022 - 27th January 2023

- Communicated with clients from the NHS to create a film aimed at Black and Caribbean Men to get tested for Prostate Cancer
- Collaborated in a duo to produce the film
- Illustrated concept art of backgrounds, style frames, characters and storyboards for the film
- Key framer and in-betweener for half of the film. As a duo, we chose to split the animation workload between us to make it fair

### **Grey Skate Magazine, London — *Titles Typographer***

1st December 2023 - 9th March 2024

- Collaborated with a client to produce animated titles for the credits in their film
- Worked closely with them by sharing examples, finalised concepts and making sure the titles appear in the film under the correct file
